## COLORADO RIVER RAFT TRIP 2004 CASFM CONFERENCE Glenwood Springs

Take a scenic tour of the Colorado River through Glenwood Canyon by boat. The three to four hour tour will begin in the Canyon (the put-in location will be dependent on flow rate) and finish at Two Rivers Park, just a few blocks from the Hotel Colorado. Bring your own raft, ducky, or hard boat; or sign up for a spot on a raft and the tour guides will reserve a seat for you.

All boaters will have the opportunity to listen to stories about the construction of I-70 through Glenwood Canyon, the maintenance challenges presented by the unique structures of the interstate, and the debris flow and geologic wonders of the ancient gorge.

Be prepared for all types of weather and splashes of cold water. Bring your Personal Flotation Device (PFD) if you have one.
