Grand Junction, Colorado**

**April 18th and 19th, 2007  
STORM WATER COMPLIANCE  
EROSION CONTROL WORKSHOP  
AND EXPOSITION**

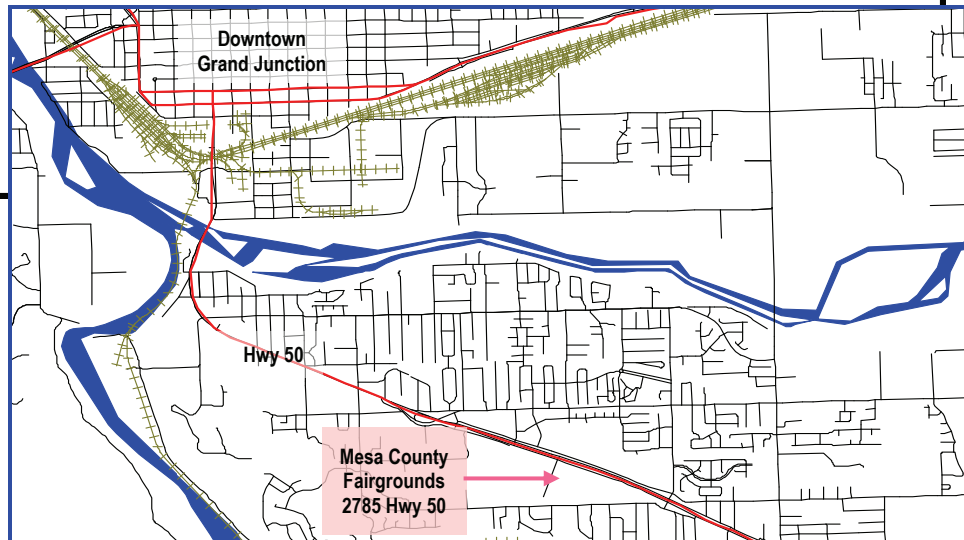

## For the first time on the Western Slope!

Sign up now for the Storm Water Compliance Workshop and EXPO, April 18th and 19th, 2007.

Mesa County Fairgrounds, near Grand Junction, Colorado

- **If you're just beginning** to work in the field of Storm Water compliance and need information to gain a better understanding of planning, regulations, inspections, and more, this workshop brings together the information to get a better handle on Storm-water issues and your responsibilities.
- **If you have been involved** with Storm Water for some time and want to hear from the national EPA, regional EPA, State officials, local regulators and experts in the field, this workshop will provide it.
- **If you want to hear and see** the latest regulatory and technical information on Storm Water, this workshop will provide a variety of topics and the most recent available technology, while regulators will provide an up-date on regulations and compliance.

## SPONSORSHIPS AND VENDOR BOOTHS ARE STILL AVAILABLE.
