Seminars have limited seating, so please register early!

Successful Completion Requirements: In order to receive CEU credit, the participant must successfully complete the following:

Minimum Seat Time- The seminar is scheduled to last 7 hours and 30 minutes. This includes a 15 minute break in the morning and afternoon, and a 1 hour lunch break. Excluding the breaks and lunch, participants are required to have a minimum of 6 hours seat time.

Class Participation- All participants are expected to participate during the instruction and with the focus groups design problems.

Workshop Exam- All participants are required to pass the end of workshop exam with a minimum score of 75%.

Class Evaluation- All participants are required to complete the class evaluation form at the end of the workshop.

Course Pre-requisite: Attendees should have the ability to apply concepts of basic algebra and geometry.

Needed Materials: A scientific calculator will be needed to complete the sample problems and final exam. All other materials will be provided.

Workshop Methods: Visual presentation, material handouts, self-study guides, interactive focus group problem solving, and sample exercises will be utilized.

Presented By: Rick Foster, P.E., National Transportation Manager, ABT, Inc., a manufacturer of trench drain systems.*

*May not be available for all seminars.

Clip and mail

Workshop Cost per Registrant: \$195.00 Full payment must accompany this registration form
