

Mark your calendars! On Tuesday, **April 11th** and Wednesday, **April 12th, 2006** a two-day training course on **Storm Water Management** will be offered at the Grand Junction City Hall Auditorium, 250 N. 5th Street. Scott Olson of Altitude Training will be the course instructor. **You may attend one or both days. Cost of the training is \$75 for each day, per person.** Attendance for each full day of training is required to obtain credit for that class. The Colorado Dept. of Transportation Erosion Control Supervisor certification exam is offered at the end of the first day. Space is limited and we anticipate a good response, so please register early.

AGENDA— DAY ONE

Tuesday, April 11th.

- 7:30** Check in
- 8:00 - 9:00** Storm Water Phase II Regulations in the State of Colorado
- 9:00 - 9:45** Local implementation of the Phase II Regulation
- 9:45 - 10:00** Break (time approximate)
- 10:00 - 11:00** Soil Erosion and Sedimentation
- 11:00 - 11:45** Erosion Prevention
- 11:45 - 1:00** Lunch **(on your own)**
- 1:00 - 2:30** Erosion Prevention
- 2:30 - 2:45** Break (time approximate)
- 2:45 - 3:45** Erosion Prevention (cont.)
- 3:45 - 4:15** Sediment Control
- 4:15 - 5:00** CDOT Erosion Control Supervisor course & voluntary certification exam (optional).

AGENDA—DAY TWO

Wednesday, April 12th

Prerequisite: Attendance at a previous "CDOT Erosion and Sediment Control: Storm Water Management During Construction" class (aka Day One).

- 7:30** Check in
- 8:00 - 9:00** Introduction to Storm Water Permit Requirements and SWMPs.
- 9:00 - 9:45** Formatting and Contents of a SWMP.
- 9:45 - 10:00** Break (time approximate)
- 10:00 - 11:00** Using the SWMP to Meet Permit Conditions.
- 11:00 - 11:45** Procedures to Develop and Implement a SWMP.
- 11:45 - 1:00** Lunch **(on your own)**
- 1:00 - 2:00** Requirements for Conducting Storm Water Inspections on Construction Projects.
- 2:00 - 3:00** Formatting and Contents of an Inspection Record
- 3:00 - 3:15** Break (time approximate)
- 3:15 - 4:00** Conducting On-site Inspections of BMP's.
- 4:00 - 5:00** Conducting an External Audit of Storm Water Management Procedures Used During Construction.

Continuing Education Credits are available for Real Estate Professionals. Continuing Education is not required for Engineers in Colorado.

If you would like to receive e-mail notification of future storm water training opportunities, please e-mail Cherry Robinson at cherryr@gjcity.org, with the words "Subscribe - Storm water Training" in the subject line.

For questions, please contact Darlene Wilkinson (above) or Eileen List, Environmental Regulatory Compliance Coordinator, at (970) 256-4149 or eileenl@gjcity.org

WHY YOU SHOULD ATTEND

New storm water regulations require that Storm Water Management Plans be prepared for construction sites that disrupt soil on greater than one acre in size. Grand Junction has passed a Storm Water Ordinance that became effective January 1, 2006. Attend this course to learn about the requirements of the storm water regulations.

Learn! Be Prepared!

WHO SHOULD

Engineers	Municipal Planning & Community Development staff
Architects	Construction Site Inspectors
Developers	Erosion Control Professionals
Home Builders	Anyone interested in USEPA & Colorado Storm Water Phase II Regulations
Consultants	
Contractors	
Excavators	
Landscapers	
Landscape Architects
