

Mark your calendars! On Wednesday, August 15th and Thursday, August 16th, 2007 a two-day training course on **Storm Water Management** will be offered at the Grand Junction City Hall Auditorium, 250 N. 5th Street. Scott Olson of Altitude Training will be the course instructor. **Cost of the training is \$75 for each day, per person if registered by August 3, \$100 per day thereafter.** Attendance for **each full day of training is required** to obtain credit for that day's program. The Colorado Dept. of Transportation Erosion Control Supervisor certification exam is offered at the end of the first day. **Space is limited and we anticipate a good response, so please register early.**

For questions, please contact Darlene Wilkinson (970) 244-1555, or Eileen List, Environmental Services Manager, at (970) 256-4149.

If yours is not a type of business that needs Storm Water Management training, please call or e-mail Darlene (above) and ask to be removed from the mailing list.

WHY YOU SHOULD ATTEND

New storm water regulations require that Storm Water Management Plans be prepared for construction sites that disrupt soil on greater than one acre in size. Grand Junction has passed a Storm Water Ordinance that became effective January 1, 2007. Attend this course to learn about the requirements of the storm water regulations.

Learn! Be Prepared!

WHO SHOULD ATTEND

Engineers	Municipal Planning & Community Development staff
Architects	Construction Site Inspectors
Developers	Erosion Control Professionals
Home Builders	Anyone interested in USEPA & Colorado Storm Water Phase II Regulations
Consultants
