

Mark your calendars! On Thursday, January 11th and Friday, January 12th, 2007 a two-day training course on **Storm Water Management** will be offered at the Grand Junction City Hall Auditorium, 250 N. 5th Street. Scott Olson of Altitude Training will be the course instructor. **Cost of the training is \$75 for each day, per person if registered by January 5, \$100 per day thereafter. Attendance for each full day of training is required to obtain credit for that class.** The Colorado Dept. of Transportation Erosion Control Supervisor certification exam is offered at the end of the first day. **Space is limited and we anticipate a good response, so please register early.**

AGENDA— DAY ONE

Thursday, January 11th.

If you would like to receive e-mail notification of future storm water training opportunities, please e-mail Cherry Robinson at cherryr@gjcity.org, with the words "Subscribe - Storm water Training" in the subject line.

For questions, please contact Darlene Wilkinson (above) or Eileen List, Environmental Regulatory Compliance Coordinator, at (970) 256-4149 or eileenl@gjcity.org

WHY YOU SHOULD ATTEND

New storm water regulations require that Storm Water Management Plans be prepared for construction sites that disrupt soil on greater than one acre in size. Grand Junction has passed a Storm Water Ordinance that became effective January 1, 2007. Attend this course to learn about the requirements of the storm water regulations.

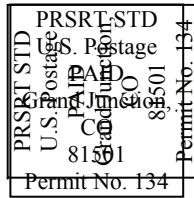

Learn! Be Prepared!

WHO SHOULD ATTEND

Engineers	Municipal Planning & Community Development staff
Architects	
Developers	Construction Site Inspectors
Home Builders	Erosion Control Professionals
Consultants	Anyone interested in USEPA & Colorado Storm Water Phase II Regulations
Contractors
