Call for Conference Presentations & Workshops

CALL FOR PRESENTATIONS & WORKSHOPS

The Colorado Association of Stormwater & Floodplain Managers (CASFM) requests abstracts for presentation at the 29th Annual Conference in Snowmass, CO, September 25-28, 2018. Presentations are typically 30 minutes in length; however, if you are interested in a longer presentation or would like to offer a workshop, please notify Julia Traylor (her contact information is on the following page).

This conference provides an opportunity to network with stormwater and floodplain managers and mentor peers on new ideas, innovative project approaches, or lessons learned.

Presentations offer a way to instruct your fellow engineers, scientists, and community leaders on new techniques and interesting project lessons unique to the industry. The presentations should address current topics related to stormwater and floodplains.

Topics vary but may include:

- Stormwater Management
- Floodplain Management
- Water Quality Enhancement
- Stream Restoration
- Watershed Protection & Planning
- Emergency Preparedness
- New Drainage Criteria
- Innovative Techniques
- Technological Advances
- Hydrologic and Hydraulic Modeling
- GIS Applications
- Project Maintenance
- Low Impact Development (LID)
- Lessons Learned
- Project Updates

ABOUT SNOWMASS & THE WESTIN

This year, the conference location is Snowmass, Colorado. A beautiful mountain town, Snowmass just celebrated its 50th year as a winter resort! Back in the early years, lift tickets were \$6.50 and rooms in the lodges were \$20! Currently under construction, Snowmass Base Village is the largest ski resort development underway in North America. Attractions range from skiing, hiking, biking, and a terrain park and will soon include an alpine coaster, a canopy tour, and more.

For budgetary planning, we anticipate early conference registration to be \$325. Conference registration will begin at the end of July. Hotel room rates start at \$129 per night. If you have questions, please contact the hotel below.

ABSTRACT SUBMITTAL

Abstracts must be submitted online via the electronic submittal form [here](#) by April 27, 2018. Alternatively, please visit www.casfm.org/annual-conference to find the link for the web form. You will be notified by Friday, May 25th if your abstract for a presentation or workshop is selected or if you have been included on the wait list.

The abstract selection process is competitive. Each year, we welcome double the number of abstracts as time slots available. Due to the level of competition, we will prioritize abstracts with compelling and descriptive content that offer innovative or unique ideas.

Please note that all presenters are required to be registered conference attendees. Current information on the conference will be posted on the conference page at www.casfm.org/annual-conference/ as it becomes available.

DEADLINE: FRIDAY – APRIL 27, 2018
