Call for Project Awards

CRESTED BUTTE CO

2019 Annual CASFM Conference
Crested Butte Mountain Resort
September 24-27, 2019
SUBMITTAL DEADLINE: MAY 10TH, 2019
The Colorado Association of Stormwater & Floodplain Managers (CASFM) is soliciting nominations for the 2019 Project Awards for stormwater and floodplain management projects in Colorado.

Eligible projects will be selected for presentation at the Conference. Attendees will vote at the conclusion of the presentations, and the project receiving the most votes will receive the 2019 CASFM Grand Award for Engineering Excellence. The public project receiving the most votes will become CASFM’s submittal for the national awards competition held by the Association of State Floodplain Managers (ASFPM), and all finalists will be displayed on the CASFM website.

Projects must be completed prior to May 2019. Projects may be public or private ownership. Projects may be either constructed improvements and/or planning studies, public education programs, flood response plans, criteria manuals, etc. Submittals may be made by the designer and/or owner. Projects submitted in previous years are ineligible.

For judging purposes, submit a project description and any supplemental information, including photographs, drawings, renderings, reports, graphic media, etc. Addressing the judging criteria below, include a brief one-page abstract/description of the project for publication in the Conference Brochure. Limit your submittal to 10 pages, excluding the one-page abstract.

Selected projects will be presented at the conference, and you will be expected to provide presentation quality materials. Please be prepared to provide items like high quality images, boards, and other materials for advertising at the conference.

1. Does the project enhance the public health, safety, and welfare?
2. Does the project incorporate creative, unique or innovative solutions?
3. Does the project include multiple-objective management in achieving its goal?
4. Did the project meet its goal with respect to problem solution, budget, and schedule?
5. Can the project serve as a model for other communities and/or projects?

Submittals should be e-mailed in pdf format to colin.wagoner@calibresys.com. If you have questions, please call Colin Wagoner at 206-390-9303.

Submittal Deadline: Friday, May 10th, 2019

Please note that presenters are required to be registered conference attendees. Current conference information will be posted on the conference page at www.casfm.org as it becomes available.
