

# 2021 CASFM Virtual Annual Conference

## Call for Abstracts

September 14 - September 16, 2021  
Virtual Conference

# Call for Presentations & Workshops

## 32ND ANNUAL (2ND VIRTUAL) CASFM CONFERENCE!

### ABSTRACT REQUEST

The Colorado Association of Stormwater & Floodplain Managers (CASFM) requests abstracts for presentations at the 32nd Annual (and 2nd Virtual) Conference, September 14-16, 2021. Presentations are typically 30 minutes in length.

Please note that presenters will likely be required to:

1. Pre-record your presentation 2-3 weeks prior to the conference start.
2. Participate in a live Q&A session facilitated by a moderator.

This conference provides an opportunity to network with stormwater and floodplain managers and mentor peers on new ideas, innovative project approaches, or lessons learned. Presentations offer a way to instruct your fellow engineers, scientists, and community leaders on new techniques and interesting project lessons unique to the industry.

Topics vary but may include:

- Stormwater Management
- Floodplain Management
- Water Quality Enhancement
- Stream Restoration
- Watershed Protection & Planning
- Emergency Preparedness
- New Drainage Criteria
- Innovative Techniques
- Technological Advances
- Hydrologic and Hydraulic Modeling
- GIS Applications
- Project Maintenance
- Low Impact Development (LID)
- Lessons Learned
- Project Updates

### ABSTRACT SUBMITTAL

Abstracts must be submitted online via the electronic submittal form [here](#) by Friday, May 28, 2021. Alternatively, please visit [www.casfm.org/annual-conference](http://www.casfm.org/annual-conference) to find the link for the web form. You will be notified by Friday, June 18th, 2021 if your abstract for a presentation is selected or if you have been included on the wait list.

The abstract selection process is competitive. Each year, we welcome double the number of abstracts as time slots available. Due to the level of competition, we will prioritize abstracts with compelling and descriptive content that offer innovative or unique ideas.

**Please note that all presenters are required to be registered conference attendees.** Current information on the conference will be posted on the conference page at [www.casfm.org/annual-conference/](http://www.casfm.org/annual-conference/) as it becomes available.

A total of 12 CEUs are possible by attending the conference.
