JUNE 24

FHZ MAPPING FOR WILDFIRE READY ACTION PLANS

What are FHZs and how are they mapped for WRAPs (and how is this different from a 'full' FHZ mapping effort)? Where should you map the FHZ for your WRAP and how can you use it to inform project identification?

JULY 15

WRAP CASE STUDY: LESSONS LEARNED

Bear River Wildfire Ready Action Plan Case Study:
Mapping FHZ for the Upper Yampa Conservation District.

AUGUST 12

ADOPTING FHZ MAPS

Community adoption options and examples. Panel discussion with local governments. Lessons learned and Q&A.

SEPT 9

CITY OF GREELEY RIVER MANAGEMENT INITIATIVE

Greeley is undertaking a planning effort to revitalize & protect the Poudre River Corridor. We will discuss how the FHZ informs that effort and how the city may choose to administer the FHZ in the future.

OCT 14

THE FLUVIAL OPPORTUNITY ZONE (FOZ)

Explore how FHZ mapping can be used for conservation planning, capitol improvement and land use planning, stream and floodplain restoration, and more!
