HOW TO MEET PEOPLE

TIPS AND TRICKS FOR FEELING LESS AWKWARD

Sit with people you don't already know

Use the Meetups

Introduce yourself to speakers after sessions

Talk to sponsors!

Make plans for Wednesday dinner

GETTING THE MOST OUT OF IT

GIVE IT A TRY

Download Eventify and pick sessions before you arrive

Don't spend the entire conference with your coworkers or someone you already know

Attend at least one session outside your normal technical specialty

Go to the social activities, even if you don't know anyone

Leave some room for recharging

Sign up for workshops and activities in advance
